### MCA opens a children's library

Staff Reporter

Medical and Cultural Association (MCA), a voluntary organisation based in Repalle, has opened a library to encourage the habit of reading with support from Confederation of Indian Industry, A.P. Chapter.

Secretary, MCA, V. Prakash Rao said that the library is open for students on all days. He thanked the CII and BREAD for their support.

The library was inaugurated on Monday by former MLA, Deveneni Mallikarjuna Rao.

The MCA is also proposing to set up Nayudamma Knowledge Center, in memory of Dr.Y. Nayudamma, a great scientist which will provide a complete knowledge experience for children studying in government schools.

The MCA also has plans to provide e-learning study materials, conduct training workshops and organise quiz and debate competitions.
